WELCOME

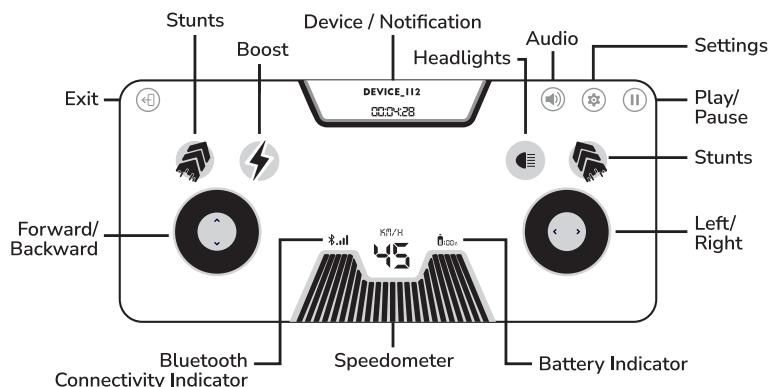

Let's begin! Please read this document and the safety instructions carefully before using the all-new 2WD App-Controlled ATV ACV1 to avoid injury or harm. For a downloadable version of the 2WD ATV ACV1 User and Product Guide, visit www.miranatoys.com

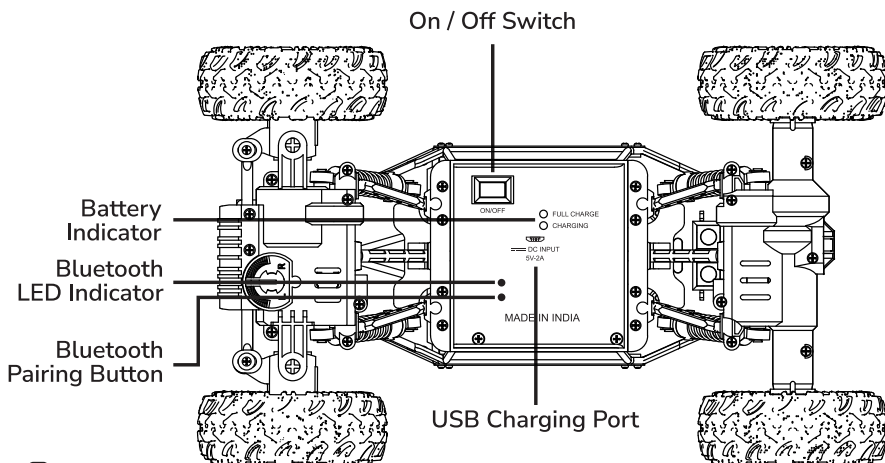

DOWNLOAD & INSTALLATION

1. Go to App Store or Play Store.
2. Search "MIRANA" App.
3. Download & Install it – Free!
4. You are ready to explore.

PLAYING INSTRUCTIONS

1. Turn on the power switch of the 2WD ATV ACV1 given at its bottom.
2. Switch on the Bluetooth of your mobile phone and open the Mirana App installed on your phone.
3. Long press the Bluetooth button given at the bottom of your 2WD ATV ACV1 till it turns on.
4. Your 2WD ATV ACV1 and the Mirana App are connected now.
5. Use the App enabled console to drive the 2WD ATV ACV1.
6. For directional control, use the left round button on the console screen for moving the vehicle forward and backwards. Use the right round button for moving left or right.
7. For an extra burst of speed, you can use the (energy symbol) button on the left side situated above the round button to activate the Boost function.
8. Use the headlights button for switching on the headlights of the 2WD ATV ACV1.
9. Use the (rocket) button on both the sides to perform stunts.
10. To exit the game press on the exit button in top left corner.

1200 mAh Rechargeable Li-Ion Battery (Included)

IN-BUILT BATTERY

The 2WD App-Controlled ATV ACV1 comes with a rechargeable 1200 mAH battery. Don't attempt to modify, remove or replace the battery as it may damage it and cause overheating and injury. Don't cut, tear, puncture, compress or deform the ATV ACV1 by disassembling it. Follow the below instructions for charging its battery:

1. Turn the 2WD ATV ACV1 upside down to check the charging port.
2. Plug the USB charging cable provided in the box into the (5V-2A) DC input charging slot at the bottom of the 2WD ATV ACV1.
 - Red LED will glow up while charging
 - Green LED will glow up when the 2WD ATV ACV1 vehicle is fully charged
3. Remove the adapter when the Green LED glows up.

Playtime: 30 minutes of playtime with full charge

Charging Time: 1 Hour

CARE AND MAINTENANCE

Keep the toy away from direct sunlight, high humidity, high temperature or excessive heat. Ensure that the tires are clean for optimized stunt performance. Gently wipe the tires of the ATV with a damp cloth whenever they become dirty. Do not immerse the 2WD ATV ACV1 or any part of it in water to clean it. This can damage its electronic components. Before using the 2WD ATV ACV1, please ensure that it is not damaged and safe to use.

SAFETY PRECAUTIONS

The 2WD ATV ACV1 should be used by children aged 4 years or above. While using it for the first time, this 2WD ATV ACV1 should be safely set up under adult supervision. Do not try to modify any part of the 2WD ATV ACV1, which may negate your authority to use it. Rechargeable batteries of this 2WD ATV ACV1 should be charged under adult supervision only. While charging the 2WD ATV ACV1, do not touch the electric outlet and the charging port with bare/wet hands to avoid electric shock like other electric products. Do not use damaged electric outlets for charging batteries. Adults should examine the USB cable, plug, enclosure or other parts of the 2WD ATV ACV1 regularly. Strictly adhere to this instruction manual while operating the 2WD ATV ACV1.

DISPOSAL INFORMATION

Never dispose of the 2WD ATV ACV1 with the household waste. If/When you decide to dispose of this 2WD ATV ACV1 discard it in e-waste containers that are in accordance with the local environmental laws, guidelines and battery recycling procedures.
